OFFICE OF THE ATTORNEY GENERAL  
MARC DANN, ATTORNEY GENERAL

RE: Extension of Registration duties

To Current Registrant:

This letter is to notify you of pending changes to current Ohio Sex Offender Registration and Notification Act (Ohio Revised Code Chapter 2950, "SORN"). Your registration duties may be extended and/or changed due to Ohio Senate Bill 10, passed to implement the Adam Walsh Child Protection and Safety Act of 2006.

Effective July 1, 2007, your duty to register will not terminate, even if it was scheduled to under the current version of Ohio SORN. You will receive a reclassification letter from the Attorney General's Office on or before December 1, 2007, with notification of:

- (1) the changes to Chapter 2950 that will be implemented on January 1, 2008,
- (2) your new classification as of January 1, 2008,
- (3) the duties that will exist under your classification and the duration of those duties, and
- (4) notice that you are entitled to challenge your new classification, and the process to file that challenge.

Until you receive this reclassification letter and notice of new duties, must continue to register as required by the current version of Ohio SORN.

You can view Senate Bill 10 online at [http://www.legislature.state.oh.us/bills.cfm?ID=127\\_SB\\_10](http://www.legislature.state.oh.us/bills.cfm?ID=127_SB_10), and an online version of the Ohio Revised Code, Chapter 2950 at <http://codes.ohio.gov/orc/2950>. Should you have any questions about your continuing duty to register, please contact your local sheriff's office, or local prosecuting attorney's office.

Sincerely,
